Adel Bishtawi releases second in Book of Origins series

Celebrated author investigates prehistoric origin of Semitic languages

PEMBROKE, Malta – Adel Bishtawi has had an amazing career as a journalist, novelist and historian. He has interviewed some of the biggest politicians of the later 20th century, including Margaret Thatcher, Indira Gandhi and Afghani president Hafizullah Amin, just before his execution.

Now Bishtawi has released the second in his Book of Origins series, “Origin of “Semitic” Languages” (published by AuthorHouse), which covers the beginnings and evolution of Semitic languages in Middle Eastern and other countries.

“The origin of Semitic languages may be also the origin of human language,” says Bishtawi, “and that the proper analysis of ancient roots may reveal the ancient history of the primitive societies and the history of civilization. Those who claimed that etymology is history may be right.”

The book covers the origin of Arabic as well as Assyrian and Hebrew. Bishtawi argues that as languages began to evolve and change, civilizations began to evolve as well. Important words and concepts such as love, hate and god have their origins in Arabic and have shaped how humans develop. Bishtawi believes, “It is also possible that the development of language played a major role in the development of human consciousness.”

Though the book is written in Arabic, a full English overview can be found at www.bishtawi.com. Readers are already responding to the book. One reviewer says, “I am surprised at the many conclusions reached. They can have a broad and serious scientific, linguistic and historical impact for years to come.”

“Origin of “Semitic” Languages”

By Adel S. Bishtawi

Hardcover | 6 x 9 | ISBN 9781481798891

Softcover | 6 x 9in | ISBN 9781481798884

E-Book | ISBN 9781481798976

Available at Amazon and Barnes & Noble

About the Author

Adel S. Bishtawi was born in Nazareth in 1945. He co-founded two newspapers in London and became managing editor of the Emirates News Agency in Abu Dhabi, United Arab Emirates. He was a production assistant for a number of TV documentaries and later produced, directed and wrote “Muslims along the Silk Road.” He has published 20 books and has written hundreds of articles. More information can be found at: www.bishtawi.com, www.arabicnumerals.net and www.thebookoforigins.com.
